Dimensions

Height 102cm | Width 151cm | Length 180cm (6')

WAGNER

German Scale Design

WAGNER V-180

An instruments with a warm, lyrical voice characteristic, is not just suitable for a large room in the home but also smaller concert hall, chamber-work or vocal accompaniment.

Wagner V-180 Grand Piano features Austrian soundboard, polished bird-eye maple inner rim, cold pressed Wurzen hammers, German Röslau music wire, British Hainsworth keyboard cloth and felt, real wood sharps key tops, dual duplex design and tone collectors.

The world's finest pear-shaped design hammers features the very best German 'AAA' Wurzen felt with solid walnut molding, underfelted.

The vertically laminated hardrock maple bridge is designed with precision to provide the most efficient and consistent transmission of string resonance to the soundboard, whilst achieving an outstanding powerful and rich bass, lyrical and rounded tenor and delicate bell-like upper treble.

WAGNER V-180 Specifications
